## ❖ *Our Long Term Vision*

Our long term vision is to produce high quality openings for all projects and to deliver in a reasonable time schedule.

## ❖ *Our Mission*

We are actually working with different partners in the construction sector. We supply classic to prestigious system depending on client's needs and budget.

## ❖ *Our Aim*

To offer superior quality together with our team of 10 persons mostly having 10-15 years in the sector. Myself, Mr. Ramesh Ramloul being the Director of this company has been working with several Aluminium Companies in Mauritius, Reunion Island and Madagascar.

## ❖ *Values*

The success of the company is based on team spirit, respect and high consideration of each member of the team for each other and also on the following values:

**Integrity** We maintain the highest standards of integrity in our business relationships

**Professionalism** We have a strong sense of professionalism. We seek to build strong relationships with partners with whom we import directly our materials through our sister companies and a recognized High Quality Aluminium Supplier for JMD System.

**Teamwork** We put high emphasis on teamwork to achieve our goals.

**Innovation** We constantly invest in research and development and we bring innovations to the market.

Thank You
